VISIT HISTORIC LATHROP HOUSE

The Benjamin G. Lathrop House Museum is located opposite the San Mateo County History Museum at 627 Hamilton Avenue, Redwood City, CA. The house, constructed of local redwoods, was built in 1863 by Benjamin Lathrop, who was the first County Clerk of San Mateo County. Docents will conduct guided tours. Donations appreciated.

Enjoy an old fashioned Lemonade Social as you would have in 1863! Free.
